## Bluetooth Intercom

The **3S PLUS** can be paired with another headset for Bluetooth intercom conversation.

### Intercom Pairing

There are two ways to pair the headset.

#### Using the Smart Intercom Pairing (SIP)

**SIP** allows you to quickly pair with your friends for intercom communication by scanning the QR code on the **Sena Motorcycles App** without remembering the button operation.

1. Pair the mobile phone with the headset.
2. Open the **Sena Motorcycles App** and tap  (**Smart Intercom Pairing Menu**).
3. Scan the **QR code** displayed on your friend (**B**)'s mobile phone.
  - Your friend (**B**) can display the QR code on the mobile phone by tapping  > **QR code** () on the **Sena Motorcycles App**.

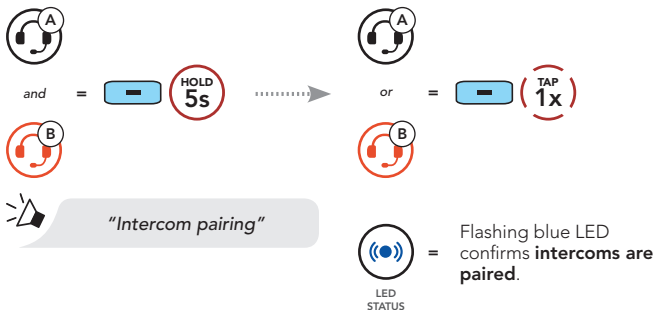

# QUICK START GUIDE

4. Tap **Save** and check that your friend (**B**) is paired with **you (A)** correctly.

**Note:** The **Smart Intercom Pairing (SIP)** is not compatible with Sena products that use **Bluetooth 3.0** or **below**.

## Using the Button

## Start/End Conversation with Intercom Friend

## Configuration Menu

Access the Configuration Menu

Navigate Between Menu Options

Execute Menu Options

## Troubleshooting

Factory Reset

Fault Reset

Press the **Pin-hole Reset Button** for a second with light pressure. The headset will automatically be turned off and a fault reset will occur.

**Note:** **Fault Reset** will not restore the headset to the factory default settings.
