airMAN® MINI
HANDHELD PUMP

WITH BUILT-IN LITHIUM RECHARGEABLE BATTERY

AirMan® Mini Handheld Inflator is a new born product for the two wheel market.

AirMan® Mini is a cordless handheld inflator that fits in the palm of your hand, with a built-in Li-ion rechargeable battery. It is perfect for everyday fast inflation. It's compact in size, light weight, and long lasting battery makes it a must-have item for any cycling trip.

AirMan® Mini Handheld Inflator is designed for all bicycle tires and sports balls in mind. It is comfortable to grip and easy to operate with one hand with the inflation and deflation button at your fingertip. The product suits both left handed and right handed users. The groove with special locking neck can accommodate the hose neatly with either thread connector or needle adaptor attached. You can have your choice of connection.

Ride easy with the Airman Mini.
