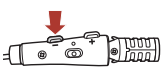
End a Call

Reject a Call

Voice Dial

in stand-by mode

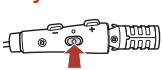
Redial Last Number



in stand-by mode

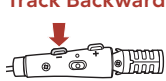
Music Control

Play/Pause



Track Forward

Track Backward



Bluetooth Intercom

The **headset** can be paired with another headset for Bluetooth intercom conversation.

Intercom Pairing

There are two ways to pair the headset.

Using the Smart Intercom Pairing (SIP)

SIP allows you to quickly pair with your friends for intercom communication by scanning the QR code on the **SENA MOTORCYCLES App** without remembering the button operation.

① Pair the mobile phone with the headset.

② Open the **SENA MOTORCYCLES App** and tap (**Smart Intercom Pairing Menu**).

③ Scan the **QR code** displayed on your friend **(B)**'s mobile phone.

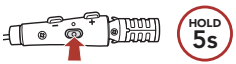
- Your friend **(B)** can display the QR code on the mobile phone by tapping > **QR code** () on the **SENA MOTORCYCLES App**.

④ Tap **Save** and check that your friend **(B)** is paired with **you (A)** correctly.

Note: The **Smart Intercom Pairing (SIP)** is not compatible with Sena products that use **Bluetooth 3.0** or **below**.

Using the Button

① **Users (You, B)** enter into **Intercom Pairing**.



Blinking

"Intercom pairing"

② Tap the **Center Button** on either headset.

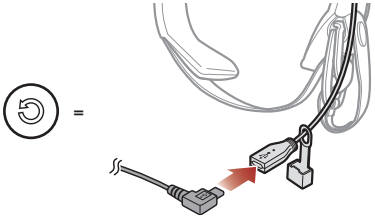
Troubleshooting

Fault Reset



When the USB charging & data cable connects a power supply to the headset, the headset will automatically be turned off and a fault reset will occur.

Note: Fault Reset will not restore the headset to factory default settings.

Factory Reset
