

# MOTORRAD Result: very good

**HJC**  
RPHA ST

**MOTORRAD**  
test winner

Great functionality, very easy to use: visor locking (left); visor change and sunshield operation: very good.

## → CONCLUSION:

Performs well both in practice and in the laboratory, very good workmanship, good value for money - the RPHA ST is a worthy test winner and shows what HJC is capable of.

**SUPPLIER:** HJC, Phone: +49(0) 21 31/52 35 60, www.hjc-europe.com; **PRICE:** EUR 369,90, decor EUR 399,90); **SIZES:** XS to XXL; **WEIGHT:** 1518/1573 grams (manufacturer's specifications/ XL weighed); **COLOURS:** white metallic; black metallic; matt black; 11 x decor; **HELMET SHELL:** fibreglass-composite; **FASTENER:** D-Ring; **COUNTRY OF PRODUCTION:** South Korea; ECE test mark: E 1 (Germany); **REPLACEMENT VISOR:** clear/tinted/mirrored, EUR 45.95 / 45.95 / 55.95; **EQUIPMENT:** Pinlock visor (supplied); wind deflector at chin, fitted; breath deflector, fitted; high-quality helmet bag supplied

## ↑ PLUS

Easy to put on, excellent fit, fairly tight-fitting but nevertheless comfortable, lining feels pleasant, good aerodynamics, low noise level, very good ventilation at top of head and around chin with very easy to operate sliders, visor snaps into place well, large field of vision, visor shuts perfectly, very simple visor replacement, very simple sunshield operation, good for spectacle wearers, perfect workmanship, very good shock absorption values.

## ↓ MINUS

Tight fit when removing, chinstrap padding a little too short, emits an unpleasant odour when new.

## FINAL EVALUATION

<b>HJC RPHA ST</b>	19	9	8	9	8	9	6	20	88	very good	369,90	<p><b>H J C</b> proves once again that they are one of the top motorbike helmet manufacturers. The second place contender is a bit of a surprise - the Airoh provides great value for money and scores well in the main criteria for daily use. The lower ranking helmets also offer satisfactory quality. The risk of making a purchase you'll regret is very low among these helmets - provided you try them on beforehand. And best of all: not one of them scored low with regard to safety.</p>
